Section of Old Pylesville Road Near Street to Close for Bridge Maintenance Work

BEL AIR, Md., (Sept. 13, 2016) – The Harford County Department of Public Works will be temporarily closing Old Pylesville Road, near Street, between Maryland Route 165 and Street Road at the bridge over a tributary of Broad Creek. The bridge is located approximately 0.1 miles from Maryland Route 165. The closure to all traffic, including emergency vehicles, will begin on or about Monday, September 26, 2016 and continue for approximately three days to complete maintenance work on the bridge deck. Please make other arrangements if you travel on this roadway.

Halsey's Store, which is next to the bridge, will be unaffected by this work and will be open during its normal business hours. The store can be accessed from Maryland Route 543 and from Street Road.

For more information on this closure, please call Dan C. Svrjcek, Civil Engineer III, Department of Public Works, at 410-638-3545 extension 1392.
