**Harford County to Host Free Financial Planning Workshop for Small Business Owners
August 16**

BEL AIR, Md. (Aug. 7, 2017) - Harford County's Office of Economic Development will host a free workshop to assist small business owners with savings and retirement planning on Wednesday, August 16, 2017. The workshop will be held from 6 to 8 p.m. at The Ground Floor, 2021-G Pulaski Highway in Havre de Grace.

Small business owners often lack the time and expertise to successfully plan for their financial future. This workshop will be a one-stop-shop with discussion topics to include:

- Business and personal financial assessments;
- Savings and investment options to meet retirement goals;
- Retirement fundamentals for small business owners;
- Exit and business transition strategies for retirement as a business owner;
- Creating a plan to support a retirement lifestyle.

The workshop will feature a presentation and question-and-answer session with representatives from the Office of Economic Development and financial advisors from Weyrich, Cronin, & Sorra: Certified Public Accountants & Business Consultants. Participation is free; however, registration is preferred and available online at bit.ly/SBFinancialPlan.
