Statement from Harford County Executive Barry Glassman

Harford County Executive Barry Glassman has ordered that the Flag of Harford County be lowered to half-staff effective immediately in honor of **Firefighter Nathan Flynn** of the Howard County Department of Fire and Rescue Services, who died in the line of duty on Monday, July 23, 2018 in Clarksville, Maryland.

This follows Governor Larry Hogan's directive that the United States Flag and Maryland State Flag be lowered. All three flags are to be raised to full-staff on the day of interment, which is unknown at this time.

A resident of Havre de Grace, Nate was also a volunteer firefighter with Susquehanna Hose Company and a member of the Harford County Technical Rescue Team.

County Executive Glassman stated:

"On behalf of the citizens of Harford County we salute Nate for his service and his bravery, and we are grief-stricken for the young family that he leaves behind. Our community will support them in any way that they need during this difficult time. We pray for Nate, his family, and his fire service brothers and sisters in both counties."
