42 revised date of delivery.  
43

44 **Bid Parameters**

45  
46 No bid of less than 100% of par, no oral bid and no bid for less than all of the Bonds described in this  
47 Notice of Sale will be considered. The Bonds are expected to be awarded no later than 3:00 p.m. (Prevailing Eastern  
48 Time) on \_\_\_\_\_, 2020. All proposals shall remain firm until the time of award.  
49

50 **Price and Interest Rate Bid**

51  
52 Each bidder shall submit one bid, not less than 100% of par on an “all-or-none” basis for the Bonds. Each  
53 bid must specify the rate or rates of interest to be paid on the Bonds, in multiples of one-eighth (1/8) or one-twentieth  
54 (1/20) of one percent (1%). Bidders may specify more than one rate of interest to be borne by the Bonds, but all

1 Bonds maturing on the same date must bear interest at the same rate; and the difference between the maximum and  
2 minimum interest rates specified may not exceed three percent (3%). A zero rate cannot be named for any maturity.  
3

4 **Procedures for Award and Principal Amount Changes**  
5

6 The aggregate principal amount and the principal amount of each maturity of the Bonds are subject to  
7 adjustments by the County, both before and after the receipt of bids for their purchase. The aggregate principal  
8 amount of the Bonds may be decreased below \$72,690,000.00,\* but may not be increased above \$72,690,000.00.\*  
9 Changes to be made prior to the sale will made available on BidComp/Parity/www.i-dealprospectus.com system or  
10 published on TM3 not later than 9:30 a.m. (prevailing Eastern Time) on the date of sale and will be used to compare  
11 bids and select a winning bidder. Changes to be made after the sale and the maturity amounts for the Bonds will be  
12 communicated to the successful bidder by 5:00 p.m. (prevailing Eastern Time) on the date of the sale, and will not  
13 reduce or increase the aggregate principal amount of the Bonds by more than 10% from the amount bid upon. In  
14 addition, the final maturity schedule for the Bonds will be communicated to the successful bidder by 5:00 p.m.  
15 (prevailing Eastern Time) on the date of the sale. The dollar amount bid for principal and any  
16 amount bid for premium by the successful bidder will be adjusted proportionately to reflect any reduction or increase  
17 in the aggregate principal amount of the Bonds, but the interest rates specified by the successful bidder for all  
18 maturities will not change. The successful bidder may not withdraw its bid as a result of any changes made within  
19 these limits.  
20

21 ALL BIDS SHALL REMAIN FIRM UNTIL THE BONDS ARE AWARDED ON THE DATE OF SALE.  
22 An award of the Bonds pursuant to this Notice of Sale, if made, will be made by the resolution of the County  
23 Council of the County, at or before 3:00 p.m. (Prevailing Eastern Time) on the date of sale.  
24

25 **Good Faith Deposit**  
26

27 A good faith deposit (the "Deposit") is required in connection with the award of the Bonds to the successful  
28 bidder. After the bidding is closed and prior to the award, the apparent successful bidder indicated on PARITY must  
29 submit the Deposit in the amount of \$\_\_\_\_\_ in the form of a federal funds wire transfer not later than 3:00 p.m.  
30 (prevailing Eastern Time) (the "Deposit Deadline") on the date of sale. The award to the apparent successful bidder  
31 is contingent upon receipt of the Deposit and the Bonds will not be awarded to such bidder until the County has  
32 confirmed receipt of the Deposit. The Deposit of the successful bidder will be retained by the County to be applied  
33 in partial payment for the Bonds and no interest will be allowed or paid upon the amount thereof, but in the event the  
34 successful bidder shall fail to comply with the terms of the bid, the proceeds thereof will be retained as and for full  
35 liquidated damages.  
36

37 The County shall distribute wiring instructions for the Deposit to the apparent successful bidder in a timely  
38 fashion after the bidding has been closed. If the Deposit is not received by the Deposit Deadline, the County  
39 reserves the right to sell the Bonds to a different bidder upon such terms and conditions as the County shall deem  
40 appropriate, without any financial liability on the County's part to the apparent successful bidder.  
41

42 **Award of Bonds and Public Offering**  
43

44 The County will not consider and will reject any bid for the purchase of less than all of the Bonds. THE  
45

46 \*Preliminary, subject to adjustment as provided herein

48 award, if made, will be made to the bidder offering the lowest interest cost to the County, as calculated by the County  
49 or its agent. True interest cost shall be determined in accordance with the true interest cost (TIC) method by  
50 doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments  
51 from the payment dates to the date of the Bonds and to the price bid, excluding interest accrued to the date of  
52 delivery; provided, however, that if two or more bidders have made bids, each of which represents the lowest true  
53 interest cost to the County, the Bonds shall be awarded to the bidder offering the highest premium and if the highest  
54 premium is offered by two or more such bidders or if no premium is bid by any such bidders, then the Bonds may be

1 awarded, with their consent, in a ratable portion among such bidders, or the County, in its discretion, may award all  
2 the Bonds to one bidder. The judgment of the County shall be final and binding upon all bidders with respect to the  
3 form and adequacy of any bid received and as to its conformity to the terms of this Notice of Sale. Each bidder shall  
4 include in its bid a statement of true interest cost offered by its bid, but such statement shall not be deemed a part of  
5 its bid.  
6

7 The successful bidder shall make a bona fide public offering of all the Bonds and shall represent to the  
8 County that such reoffering is in compliance with all applicable securities laws of the jurisdictions in which the  
9 Bonds are offered. **THE SUCCESSFUL BIDDER SHALL PROVIDE THE CERTIFICATION DESCRIBED**  
10 **UNDER “CERTIFICATION AS TO ISSUE PRICE” BELOW.**  
11

12 **Legal Opinion**

13  
14 The issuance of the Bonds will be subject to delivery of the approving opinion of Miles & Stockbridge P.C.,  
15 bond counsel, which opinion shall be substantially in the form set forth as an exhibit to the Preliminary Official  
16 Statement referred to below.  
17

18 **Official Statement**

19  
20 Not later than seven (7) business days after the award of the Bonds to the successful bidder on the day of  
21 sale, the County will deliver to the successful bidder an Official Statement, which is expected to be substantially in  
22 the form of the Preliminary Official Statement referred to below. If so requested by the successful bidder at or  
23 before the close of business on the date of the sale, the County will include in the Official Statement such pricing and  
24 other information with respect to the terms of the reoffering of the Bonds by the successful bidder (“Reoffering  
25 Information”), if any, as may be specified and furnished in writing by such bidder. If no Reoffering Information is  
26 specified and furnished by the successful bidder, the Official Statement will include the interest rates on the Bonds  
27 resulting from the bid of the successful bidder and the successful bidder shall be responsible to the County and its  
28 officials for the Reoffering Information, and for all decisions made by such bidder with respect to the use or  
29 omission of the Reoffering Information in any reoffering of the Bonds, including the presentation or exclusion of any  
30 Reoffering Information in any documents, including the Official Statement. The successful bidder for the Bonds will  
31 also be furnished, without cost, with a reasonable number of copies of the Official Statement (not to exceed 50  
32 copies) and any amendments or supplements thereto. The successful bidder may order additional copies at its own  
33 expense and is responsible for distributing the final Official Statement to its syndicate members.  
34

35 The Preliminary Official Statement of the County concerning the Bonds (the “Preliminary Official  
36 Statement”) is in a form “deemed final” by the County for purposes of Section (b)(1) of Rule 15c2-12 of the  
37 Securities and Exchange Commission (the “Rule”), but is subject to revision, amendment and completion in the final  
38 Official Statement. The County is distributing the Preliminary Official Statement to potential bidders electronically  
39 through i-Deal LLC (“i-Deal”). Potential bidders may also obtain an electronic copy of the Preliminary Official  
40 Statement by logging onto the website for i-Deal at [www.i-dealprospectus.com](http://www.i-dealprospectus.com). Prior to submitting a bid, each  
41 potential bidder should read the Preliminary Official Statement in its entirety.  
42

43 The County will undertake to provide the successful bidder with further additional information to be  
44 included in the Official Statement, when in the opinion of the County or of Bond Counsel, such additional  
45 information constitutes a material change to the Official Statement. The County will take such steps as are necessary  
46 to arrange for amending and supplementing the Official Statement in connection with the disclosure of such  
47 additional information; provided, however, that the County shall have no obligation to provide such additional  
48 information after the date that is twenty-five (25) days after the “end of the underwriting period,” as such term is  
49 defined in the Rule.  
50

51 The County agrees, in order to assist the successful bidder in complying with Section (b)(5) of the Rule,  
52 pursuant to a continuing disclosure certificate (the “Continuing Disclosure Certificate”) signed by the County  
53 Executive, Treasurer and Director of Administration of the County, to provide annual financial information and  
54 notices of certain events, as enumerated in the Rule, to the Electronic Municipal Market Access (“EMMA”) System

1 implemented by the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the  
2 Securities Exchange Act of 1934. The undertakings of the County in the Continuing Disclosure Certificate shall be  
3 set forth in the Preliminary Official Statement and Official Statement and any amendment or supplement thereto.  
4

5 **Certification as to Issue Price**

6  
7 The successful bidder shall assist the County in establishing the issue price of the Bonds and shall execute and  
8 deliver to the County on or before the date of issue of the Bonds, an “issue price” or similar certificate setting forth  
9 the reasonably expected initial offering price to the public or the sales price or prices of the Bonds together with the  
10 supporting pricing wires or equivalent communications as described herein.  
11

12 The County intends and expects that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining  
13 “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds  
14 (the “competitive sale requirements”) because: (i) the County shall disseminate this Notice of Sale to potential  
15 underwriters in a manner that is reasonably designed to reach potential underwriters; (ii) all bidders shall have an  
16 equal opportunity to bid; (iii) the County may receive bids from at least three underwriters of municipal bonds who  
17 have established industry reputations for underwriting new issuances of municipal bonds; and (iv) the County  
18 anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the lowest  
19 true interest cost, as set forth in this Notice of Sale (a “Qualified Competitive Bid”). If a bid qualifies as a Qualified  
20 Competitive Bid, the successful bidder shall be required to provide to the County a certificate acceptable to Bond  
21 Counsel, on or before the date of issue of the Bonds, substantially in the form attached hereto as Exhibit A, with such  
22 modifications as may be appropriate or necessary, in the reasonable judgment of the successful bidder, the County  
23 and Bond Counsel. The County’s Financial Advisor acting as its municipal advisor (the “Municipal Advisor”) shall  
24 also be required to provide to the County a certificate acceptable to Bond Counsel on or before the date of issue of  
25 the Bonds, substantially in the form attached hereto as Exhibit B, with such modifications as may be appropriate or  
26 necessary, in the reasonable judgment of the Municipal Advisor, the County and Bond Counsel.  
27

28 In the event that a bid fails to satisfy the requirements of a Qualified Competitive Bid (an “Alternate  
29 Competitive Bid”), the County shall so advise the successful bidder. The County may determine to treat (i) the first  
30 price at which 10% of a maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity  
31 and/or (ii) the initial offering price to the public as of the sale date of any maturity of the Bonds as the issue price of  
32 that maturity (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis (and if  
33 different interest rates apply within a maturity, to each separate CUSIP number within that maturity). Bids will not be  
34 subject to cancellation in the event that the County determines to apply the hold-the-offering-price rule to any  
35 maturity of the Bonds. Bidders should prepare their bids on the assumption that some or all of the maturities of the  
36 Bonds will be subject to the 10% test and/or the hold-the-offering-price rule in order to establish the issue price of  
37 the Bonds. Bidders should note that an Alternative Competitive Bid may require the successful bidder, and if  
38 applicable, other underwriters of the Bonds, to hold the initial offering prices for certain maturities of the Bonds  
39 for up to five (5) business days after the sale date of the Bonds. If a bid is an Alternate Competitive Bid, the  
40 successful bidder shall be required to provide to the County a certificate acceptable to Bond Counsel, substantially in  
41 the form attached hereto as Exhibit C to this Notice of Sale, with such modifications as may be appropriate or  
42 necessary, in the reasonable judgment of the successful bidder, the County and Bond Counsel.  
43

44 Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds,  
45 as specified in the bid. All bids shall include a representation that the underwriters have established industry  
46 reputations for underwriting new issuances of municipal securities.  
47

48 **Book-Entry Only Form**

49  
50 The Bonds will be issued in book-entry-only form, registered in the name of Cede & Co., as nominee of  
51 The Depository Trust Company, New York, New York (“DTC”) and immobilized in its custody. Principal, premium  
52 (if any) and interest on the Bonds will be payable to DTC or its nominee as registered owners of the Bonds.  
53 Information concerning DTC and its book-entry system is included in the Preliminary Official Statement and bidders  
54 should rely solely on that material. The County takes no responsibility for the accuracy of such information.

1  
2 **Interest Payment Dates**

3  
4 The Bonds will be dated the date of delivery and will bear interest from the date of delivery, payable on  
5 October \_\_, 2020 and semiannually thereafter on each April \_\_ and October \_\_ until maturity or redemption.  
6

7 **Preliminary Principal Amounts\***

8  
9 Unless the maturity schedule below is revised as described under "Procedures for Award and Principal  
10 Amount Changes" above, the Bonds will mature on October \_\_ in each of the years 2020 through 2039, inclusive, as  
11 follows (the "Maturity Schedule"):  
12

13	October __	Preliminary	October __	Preliminary

26

27 **Redemption**

28  
29 The Bonds which mature before \_\_\_\_\_ are not subject to redemption prior to maturity. The  
30 Bonds that mature on and after \_\_\_\_\_, are subject to redemption at the option of the County in whole or  
31 in part at any time beginning \_\_\_\_\_, without premium or penalty at par (100% of the principal amount  
32 to be redeemed) plus accrued interest to the date of redemption.  
33

34 **Delivery**

35  
36 Delivery of the Bonds by the Treasurer of the County is expected to occur through the facilities of DTC on  
37 or about \_\_\_\_\_, 2020 (the "Closing Date"). The successful bidder shall pay for the Bonds in  
38 **IMMEDIATELY AVAILABLE FEDERAL FUNDS** by 11:00 a.m. (prevailing Eastern Time) on the Closing  
39 Date. Any expenses of providing immediately available funds shall be borne by the successful bidder. Certain  
40 closing documents will be available for delivery in Baltimore, Maryland by the Closing Date. Payment on the  
41 Closing Date shall be made in an amount equal to the price bid for the Bonds less the amount of the Deposit.  
42

43 **CUSIP Numbers**

44  
45 CUSIP numbers for the Bonds will be applied for by the Financial Advisor, but the County will assume no  
46 obligation for the assignment or printing of such numbers on the Bonds or for the correctness of such numbers, and  
47 neither the failure to print such numbers on any of the Bonds nor any error with respect thereto shall constitute cause  
48 for a failure or refusal by the successful bidder to accept delivery of and make payment for the Bonds.  
49

50 **Conflict Waiver**

51  
52 Miles & Stockbridge P.C. is serving as Bond Counsel to the County in connection with the issuance and  
53 sale of the Bonds. By placing a bid, each bidder represents to the County that it understands that Miles &  
54 Stockbridge P.C., in its capacity as Bond Counsel, represents the County and the successful bidder agrees to waive

1 any conflict of interest arising out of, and consents to, Miles & Stockbridge P.C.’s representation of the County in  
2 connection with the issuance and sale of the Bonds to the successful bidder.  
3

4 **Closing Documents**  
5

6 The Bonds will be accompanied by the customary closing documents, including a no-litigation certificate,  
7 effective as of the Closing Date, stating that there is no litigation pending against the County affecting the validity of  
8 the Bonds and a Tax Certificate and Compliance Agreement signed by the Treasurer of the County.  
9

10 It shall be a condition to the obligation of the successful bidder to accept delivery of and pay for the Bonds  
11 that, simultaneously with or before delivery and payment for the Bonds, the successful bidder shall be furnished a  
12 certificate or certificates of the County Executive, Treasurer and Director of Administration of the County to the  
13 effect that to the best of their knowledge and belief, the Official Statement (and any amendment or supplement  
14 thereto) (except for the Reoffering Information, as to which no view will be expressed) as of the date of sale and as  
15 of the date of delivery of the Bonds does not contain any untrue statement of a material fact and does not omit to  
16 state a material fact necessary to make the statements therein, in light of the circumstances under which they were  
17 made, not misleading and that between the date of sale and the date of delivery of the Bonds there has been no  
18 material adverse change in the financial position or revenues of the County, except as reflected or contemplated in  
19 the Official Statement.

52 (b) The Underwriter was not given the opportunity to review other bids prior to submitting its

54 (c) The bid submitted by the Underwriter constituted a firm offer to purchase the Bonds.

1 (d) The Underwriter has an established industry reputation for underwriting new issuances of  
2 municipal bonds.

3  
4 2. Defined Terms.

8 Maturities.

9 (b) "Public" means any person (including an individual, trust, estate, partnership, association,  
10 company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party"

12 ownership, directly or indirectly.

13 (c) "Sale Date" means the first day on which there is a binding contract in writing for the  
14 sale of a Maturity of the Bonds. The Sale Date of the Bonds is [DATE].

15 (d) "Underwriter" means (i) any person that agrees pursuant to a written contract with the  
16 County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds  
17 to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person  
18 described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a

20 the Public).

21  
22 The representations set forth in this Certificate are limited to factual matters only. Nothing in this Certificate  
23 represents the Underwriter's interpretation of any laws, including specifically Sections 103 and 148 of the Internal  
24 Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the  
25 foregoing information will be relied upon by the County with respect to certain of the representations set forth in the  
26 Tax Certificate and Compliance Agreement executed and delivered by the County in connection with the Bonds and  
27 with respect to compliance with the federal income tax rules affecting the Bonds, and by Miles & Stockbridge P.C.,  
28 as bond counsel to the County, in connection with rendering its opinion that the interest on the Bonds is excluded  
29 from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G,  
30 and other federal income tax advice that it may give to the County from time to time relating to the Bonds.

46 CERTIFICATE OF MUNICIPAL ADVISOR

47  
48  
49 The undersigned, on behalf of Davenport & Company LLC (the "Municipal Advisor"), as the municipal advisor to  
50 Harford County, Maryland (the "County") in connection with the issuance of the above-captioned obligations (the  
51 "Bonds"), has assisted the County in soliciting and receiving bids from potential underwriters in connection with the

52  
53 \_\_\_\_\_  
54 \*Preliminary, subject to adjustment as provided herein  
55 sale of the Bonds in a competitive bidding process in which bids were requested for the purchase of the Bonds at  
specified written terms, and hereby certifies as set forth below with respect to the bidding process and award of the

1 Bonds.

2  
3 1. The Bonds were offered for sale at specified written terms more particularly described in the  
4 Notice of Sale, which was distributed to potential bidders, a copy of which is attached to this certificate as Schedule  
5 A.

6  
7 2. The Notice of Sale was disseminated electronically through \_\_\_\_\_. The method of  
8 distribution of the Notice of Sale is regularly used for purposes of disseminating notices of sale of new issuances of  
9 municipal bonds, and notices disseminated in such manner are widely available to potential bidders.

10  
11 3. To the knowledge of the Municipal Advisor, all bidders were offered an equal opportunity to bid  
12 to purchase the Bonds so that, for example, if the bidding process afforded any opportunity for bidders to review  
13 other bids before providing a bid, no bidder was given an opportunity to review other bids that was not equally given  
14 to all other bidders (that is, no exclusive “last-look”).

15  
16 4. The County received bids from at least three bidders who represented that they have established  
17 industry reputations for underwriting new issuances of municipal bonds. Copies of the bids received are attached to  
18 this certificate as Schedule B.

19  
20 5. The winning bidder was [NAME OF UNDERWRITER] (the “Underwriter”), whose bid was  
21 determined to be the best conforming bid in accordance with the terms set forth in the Notice of Sale, as shown in the  
22 bid comparison attached as Schedule C to this Certificate. The County awarded the Bonds to the Underwriter.

23  
24 The representations set forth in this Certificate are limited to factual matters only. Nothing in this Certificate  
25 represents the Municipal Advisor’s interpretation of any laws, including specifically Sections 103 and 148 of the  
26 Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands  
27 that the foregoing information will be relied upon by the County with respect to certain of the representations set  
28 forth in the Tax Certificate and Compliance Agreement executed and delivered by the County in connection with the  
29 Bonds and with respect to compliance with the federal income tax rules affecting the Bonds, and by Miles &  
30 Stockbridge P.C., as bond counsel to the County, in connection with rendering its opinion that the interest on the  
31 Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue  
32 Service Form 8038-G, and other federal income tax advice that it may give to the County from time to time relating  
33 to the Bonds. No other persons may rely on the representations set forth in this Certificate without the prior written  
34 consent of the Municipal Advisor.

14 the bonds, which amount shall be set apart by the Treasurer in a special fund and applied to the  
15 first maturing interest payment on the bonds. The balance of the proceeds of the sale of the  
16 bonds shall be expended only to finance the Projects as set forth in this Bill and as more  
17 particularly described in the Annual Budget and Appropriation Ordinance of the County, as  
18 amended, for the year ending June 30, 2020. If the funds derived from the sale of the bonds shall  
19 exceed the amount needed to finance the Projects, the excess funds so borrowed and not  
20 expended by the County shall be applied by the County in payment of the next principal maturity  
21 of the bonds so issued, unless the County Council shall adopt a resolution or ordinance allocating  
22 said excess funds to finance any lawful modification of the Projects, or to the extent then

1 permitted by law, any other project lawfully undertaken by the County, as may be provided by  
2 subsequent resolution or ordinance approved by the County Council.

3       **SECTION 16. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF**  
4 **HARFORD COUNTY, MARYLAND** that, to the extent the recordation and transfer taxes  
5 described in Section 2 of this Bill are insufficient to pay the principal of, premium (if any) and  
6 interest on the bonds, for the purpose of paying the interest on and principal of, premium (if any)  
7 the bonds or other indebtedness authorized by this Bill, there is hereby levied and there shall  
8 hereafter be levied in each fiscal year that any of the bonds or other indebtedness is outstanding,  
9 *ad valorem* taxes on real and tangible personal property and intangible property subject to  
10 taxation by the County without limitation on rate or amount; and, in addition, upon such other  
11 intangible property as may be subject to taxation by the County within limitations prescribed by  
12 law, in an amount sufficient together with funds available from other sources, to pay the annual  
13 interest on the outstanding bonds or other indebtedness and to redeem the bonds or other  
14 indebtedness maturing during the succeeding year; and the full faith and credit and the unlimited  
15 taxing power of the County are hereby irrevocably pledged to the punctual payment of the  
16 principal of and interest on the bonds or other indebtedness as and when they mature. The  
17 County by the passage of this Bill hereby covenants and agrees properly and promptly to perform  
18 all of the respective acts and duties defined in this Bill for the levy and collection of the aforesaid  
19 *ad valorem* tax upon all the assessable property within the corporate limits of the County, as the  
20 levy and collection of such a tax becomes necessary in order to meet the debt service  
21 requirements of the Harford County, Maryland General Consolidated Public Improvement  
22 Bonds, Series 2020. By this Bill, the County agrees to take all action it may be legally authorized

1 and empowered to take in order to enforce, in any year in which any of the bonds or other  
2 indebtedness are outstanding, the guarantee of such bonds or other indebtedness by the County.

3           **SECTION 17. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF**  
4 **HARFORD COUNTY, MARYLAND** that as a part or all of the aggregate indebtedness  
5 authorized by this Bill, upon written recommendation of the County Executive and adoption of  
6 the Administrative Resolution (as defined in Section 17B of this Bill), the County shall borrow  
7 upon its full faith and credit and unlimited taxing power of the County a loan (the “Water  
8 Quality Loan”) from the Maryland Water Quality Financing Administration (the “WQFA”), and  
9 shall issue and sell to the WQFA upon its full faith and credit and unlimited taxing power the  
10 bonds in the form of a single, fully-registered bond in the principal amount not to exceed Six  
11 Million One Hundred Fifty Thousand Dollars (\$6,150,000.00) pursuant to the authority of the  
12 Charter, the Code, the Local Government Article of the Annotated Code of Maryland, and Title 9  
13 of the Environment Article of the Annotated Code of Maryland (2014 Replacement Volume and  
14 2018 Supplement) (the “Water Quality Act”) for the upgrade, expansion and improvement of all  
15 or part of the Storm Water Projects (defined in Section 17(C) below). The sale of the bonds shall  
16 be conducted as more fully described in this Section 17 and the aggregate amount of bonds  
17 otherwise authorized by this Bill shall be reduced by the amount of the bond sold pursuant to the  
18 Water Quality Act. The County hereby determines to borrow money and incur indebtedness for  
19 the public purpose of financing the costs of the acquisition and development of the Storm Water  
20 Projects which shall include: (i) actual and estimated costs of the issuance of the bonds, (ii)  
21 engineering expenses, (iii) inspection expenses, (iv) fiscal expenses, (v) legal expenses; and (vi)  
22 interest estimated to accrue during the construction and for 24 months on money borrowed or  
23 expected to be borrowed. The development costs shall be more fully described in the

1 Administrative Resolution. It is the intent of the County Council that the costs of the Storm  
2 Water Projects be financed with the proceeds from the sale of the bonds and that the County also  
3 be reimbursed out of the proceeds of the bonds for all costs of acquisition incurred by the  
4 County; provided, however, that such expenses have been incurred by the County not more than  
5 one (1) year prior to the issuance of the bonds:

6 A. Each of the Storm Water Projects shall constitute a “wastewater facility”  
7 within the meaning of Section 9-1601 of the Water Quality Act.

8 B. Such borrowing and indebtedness of the County shall be made and incurred  
9 pursuant to Section 9-1606 and Section 9-1614(b) of the Water Quality Act and in accordance  
10 with the provisions of a loan agreement between the County, as borrower, and the WQFA (the  
11 “Loan Agreement”). The Loan Agreement shall be substantially in such form as is approved by a  
12 resolution supplemental to this Bill and passed subsequent to the enactment of this Bill (the  
13 “Administrative Resolution”) which Administrative Resolution shall set forth the details of the  
14 bonds and the terms of the loan, in such manner as shall not be inconsistent with the provisions  
15 and requirements of this Bill. The Loan Agreement (the form of which shall be attached to the  
16 Administrative Resolution and approved therein) shall contain in its final form such insertions,  
17 omissions, variations, or changes (collectively “changes”) as may be deemed necessary or  
18 appropriate and which shall be acceptable to the County Executive, and the County Executive is  
19 hereby authorized, and shall be authorized by the Administrative Resolution, to make changes in  
20 the Loan Agreement as the County Executive may deem appropriate.

21 C. The Projects that may be financed with the WQFA shall include all or a  
22 portion of the following Projects as set forth in Section 1 of this Bill, and for purposes of a  
23 possible bond issued pursuant to the Loan Agreement with the WQFA are herein referred to as

1 the “Storm Water Projects:”

<u>Total</u>	<u>\$6,150,000.00</u>

5  
 6 D. To evidence the payment of obligations of the County under the Loan  
 7 Agreement, the County shall issue and sell, upon its full faith and credit and unlimited taxing  
 8 power, the bonds, as general obligation installment bonds in the maximum amount not to exceed  
 9 Six Million One Hundred Fifty Thousand Dollars (\$6,150,000.00) which shall be in the form of  
 10 one bond certificate numbered R-1 and shall be designated “Harford County, Maryland Water  
 11 Quality Bond, Series 2020.”

12 The proceeds from the sale of the bonds shall be generally used for the purposes  
 13 set forth in this Section 17 as more fully described in the project description as set forth and  
 14 approved by the Administrative Resolution. The bonds shall be (i) dated as of the date of  
 15 delivery to the WQFA, (ii) registered in the name of the WQFA or its designee and (iii) payable  
 16 in such principal installments and shall bear interest at such rate as shall appear in the executed  
 17 bond certificate. The maturity of the bonds and the date of final maturity shall appear in the  
 18 executed bond certificate. In no event shall the final date of maturity of the bonds exceed thirty  
 19 (30) years from the date of issuance thereof. The interest rate borne by the bonds shall be  
 20 determined by the WQFA and approved in the Administrative Resolution.

1           The principal installments payable on the bonds and the rate of interest to be  
2 borne thereby (or the manner of determining the principal payments and rate of interest) shall be  
3 established by the Administrative Resolution. Such determination of the principal and interest on  
4 the bonds shall be in accordance with the terms and conditions of the Loan Agreement. The rate  
5 of interest approved by the Administrative Resolution shall in no event exceed the maximum rate  
6 permitted by law and such interest rate shall appear in the executed bond certificate.

7           The form of bond, together with the statement of principal installments (annual or  
8 semiannual as shall be finally approved by the County Executive pursuant to this Section 17) and  
9 such installments of interest as therein set forth, and all of the covenants and conditions as shall  
10 be contained therein and in the Loan Agreement shall be adopted by the County Council pursuant  
11 to the Administrative Resolution and any and all covenants and conditions therein contained  
12 shall be made binding upon the County, including (without limitation) the promise to pay.  
13 Execution of the bond by the County Executive shall constitute conclusive evidence of such  
14 approval.

15           E. The County will also execute and deliver in connection with the issuance of  
16 the bonds, additional documents (the “Water Quality Documents”) including, but not limited to,  
17 the Loan Agreement, and such other documents, agreements, instruments and certificates as the  
18 County Executive, upon advice of legal counsel, shall deem necessary or desirable for the  
19 financing of the acquisition of the Storm Water Projects. Because this Bill is being adopted  
20 before all of the details of the sale of the bonds and the issuance and sale of revenue bonds by the  
21 WQFA the proceeds of which shall be used to make the Water Quality Loan to the County have  
22 been finalized, the County Executive, pursuant to the powers reserved unto him under this  
23 Section 17 and as set forth in the Administrative Resolution, is hereby authorized to make

1 changes to the forms of the bonds and the Water Quality Documents, including insertions  
2 therein or additions thereto or deletions therefrom, as the County Executive may deem necessary  
3 to conform the terms of the bonds and the Water Quality Documents to the terms of the financing  
4 to be provided to the County by the WQFA; provided, however, that such changes, additions or  
5 deletions are not in substance inconsistent with or contrary to the requirements set forth in this  
6 Bill or in the Administrative Resolution.

7 F. The Loan Agreement and the bond shall be executed on behalf of and in the  
8 name of the County by the County Executive, such execution to be made by the manual or  
9 facsimile signature of the County Executive as permitted by law. The corporate seal of the  
10 County shall be affixed to or otherwise reproduced on the Loan Agreement and the bonds, and  
11 shall be attested by the manual or facsimile signature of the Director of Administration as  
12 permitted by law. If any officer whose signature shall appear on the bond or the Water Quality  
13 Documents shall cease to be such officer before the delivery of the bonds or the Water Quality  
14 Documents, such signature shall nevertheless be valid and sufficient for all purposes, the same as  
15 if such officer had remained in office until such delivery. The County Executive is hereby  
16 authorized, empowered and directed to complete the forms of the bonds and the Water Quality  
17 Documents as such forms may be approved by the County Council through the Administrative  
18 Resolution and the County Executive shall make corrections or changes thereto in any manner  
19 which the County Executive, in the County Executive's discretion, shall deem necessary to  
20 complete the issuance and sale of the bonds and the execution and delivery of the Water Quality  
21 Documents, all as may promote the objectives of the County as set forth in this Bill. The Water  
22 Quality Documents and the bonds, as executed by the County Executive and attested and sealed  
23 as described above, shall be valid and legally binding obligations of the County in accordance

1 with their terms.

2 G. Notwithstanding any section of the Charter, the Code, Section 19-205 of the  
3 Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and  
4 2018 Supplement) or any other provision of public general or public local law, charter or  
5 ordinance, and as authorized by Section 9-1606 of the Water Quality Act, the bonds may be sold  
6 at private sale to the WQFA, without public bidding or regard to any limitations on the  
7 denomination thereof and at any interest or cost or at any price that the County considers  
8 necessary or desirable, and such private sale is determined to be in the best interests of the  
9 County. The details of the sale of the bonds shall be determined in accordance with the  
10 Administrative Resolution. The bonds shall be sold for cash at not less than par in accordance  
11 with the terms and provisions of this Bill and the Administrative Resolution. The County  
12 Executive, in the County Executive's discretion, is expressly authorized and empowered to take  
13 any and all action necessary to complete and close the award, sale and delivery of the bonds to  
14 the WQFA, including (without limitation) making changes to the form of bond as the County  
15 Executive may deem to be necessary or appropriate to comply with WQFA practices and policies  
16 applicable from time to time; provided, however, that such actions taken by the County  
17 Executive shall not be in substance inconsistent with or contrary to the provisions of this Bill or  
18 the Administrative Resolution.

19 H. The proceeds of sale of the bonds to the WQFA shall be held, invested and  
20 administered by the WQFA pursuant to the Loan Agreement and shall be used, when and as  
21 required, to be applied from time to time as and when received by the County to finance costs of  
22 the Storm Water Projects in compliance with the provisions of the Loan Agreement, the Charter,  
23 the Code and the Water Quality Act. Any balance of the proceeds of the Water Quality Loan

1 remaining subsequent to payment in full of all the costs of the Storm Water Projects may be  
2 applied to reduce the principal of the Water Quality Loan in accordance with the terms of the  
3 Loan Agreement.

4 I. For the purpose of paying the principal of, premium (if any) and interest on the  
5 bond when due, the County has established or shall establish a dedicated source of revenues as  
6 shall be described in the Loan Agreement. In the event such revenues are insufficient to meet the  
7 debt service requirements in any fiscal year in which the bonds are outstanding, the County shall  
8 levy in such fiscal year upon all real and tangible personal property within its jurisdictional limits  
9 subject to assessment for unlimited County taxation *ad valorem* taxes in rate and amount  
10 sufficient to provide for the prompt payment of such principal, premium (if any) and interest on  
11 the bonds in such fiscal year, and, if the proceeds from the collection of taxes so levied in any  
12 such fiscal year are inadequate for such payment, additional taxes shall be levied in the  
13 succeeding fiscal year to make up such deficiency. The full faith and credit and unlimited taxing  
14 power of the County are hereby irrevocably pledged to the payment of the principal of, premium  
15 (if any) and interest on the bonds as and when they become due and payable and to the levy and  
16 collection of the taxes hereinabove described as and when such taxes may become necessary in  
17 order to provide sufficient funds to meet the debt service requirements of the bonds. The County  
18 hereby covenants and agrees with the registered owner of the bonds to levy and collect the taxes  
19 hereinabove described and to take any action that may be appropriate from time to time during  
20 the period that the bonds remain outstanding and unpaid to provide the funds necessary to pay  
21 promptly the principal and interest due thereon.

22 J. The bonds are being issued in connection with the WQFA's Maryland Water  
23 Quality Revolving Loan Fund Program and will evidence the County's obligation to repay the

1 Water Quality Loan advanced from the proceeds of the sale of revenue bonds issued by the  
2 WQFA. The Loan Agreement limits the ability of the County to prepay the bond in accordance  
3 with restrictions upon the ability of the WQFA to redeem its revenue bonds. Accordingly, the  
4 County may prepay the bonds only in accordance with the provisions of the Loan Agreement and  
5 the terms governing prepayment as set forth in the bonds.

6 K. The County Executive shall be the certifying official for the County  
7 responsible for the execution and delivery on the date of the issuance of the bonds of a tax and  
8 arbitrage certificate of the County (the "Tax Certificate") that complies with the requirements of  
9 Section 148 of the Internal Revenue Code of 1986, as amended, and the applicable regulations  
10 thereunder ("Section 148"). The County Executive is hereby authorized and directed to execute  
11 and deliver the tax and arbitrage certificate to counsel rendering an opinion on the excludability  
12 from gross income of interest on the bonds for purposes of federal income taxation on the date of  
13 the issuance thereof. The Tax Certificate shall set out the reasonable expectations of the County  
14 as to relevant facts, estimates and circumstances relating to the use of the proceeds of the bonds  
15 or of any moneys, securities or other obligations to the credit of any account of the County which  
16 may be deemed to be bond proceeds under Section 148. The County covenants with the  
17 registered owner of the bonds that the facts, estimates and circumstances set forth in the Tax  
18 Certificate will be based on the County's reasonable expectations on the date of the issuance of  
19 the bonds and will be, to the best of the certifying official's knowledge, true, correct and  
20 complete as of that date.

21 L. The County covenants and agrees with the registered owner of the bonds that it  
22 will not make, or (to the extent that it exercises control or direction) permit to be made, any use  
23 of the bond proceeds that would cause any bond to be an "arbitrage bond" within the meaning of

1 Section 148. The County further covenants that it will comply with Section 148 to the extent  
2 applicable to the bonds on the date of issuance thereof and which may subsequently lawfully be  
3 made applicable to the bonds. The County further covenants that it shall make such use of the  
4 proceeds of the bonds, to the extent possible regulate the investment of the proceeds thereof, and  
5 take such other and further actions as may be required to maintain the excludability from gross  
6 income, for federal income tax purposes, of interest on the bonds. All officers, employees and  
7 agents of the County are hereby authorized and directed to take such actions, and to provide such  
8 certificates of facts and estimates regarding the amount and use of the proceeds of the bonds, as  
9 may be necessary or appropriate from time to time to comply with, or to evidence the County's  
10 compliance with, the covenants set forth in this Section 17.

11 M. The principal amount of the bonds to be sold to the WQFA pursuant to the Water  
12 Quality Act shall be determined in a resolution adopted by the County Council upon written  
13 recommendation of the County Executive and shall constitute a portion or all of the Six Million  
14 One Hundred Fifty Thousand Dollars (\$6,150,000.00) principal amount of indebtedness  
15 authorized to be incurred pursuant to this Bill, to finance all or a portion of the costs of the Storm  
16 Water Projects. In no event may the aggregate indebtedness incurred by the County pursuant to  
17 this Bill to finance the Storm Water Projects exceed Six Million One Hundred Fifty Thousand  
18 Dollars (\$6,150,000.00).

19 **SECTION 18. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF**  
20 **HARFORD COUNTY, MARYLAND** that the County is hereby authorized and empowered  
21 from time to time to issue its bond anticipation notes (or other evidence of indebtedness) on the  
22 full faith and credit and unlimited taxing power of the County in an amount not exceeding  
23 Seventy-Two Million Six Hundred Ninety Thousand Dollars (\$72,690,000.00), the net proceeds

1 of such sale to be used to finance part or all of the cost of the Projects; the sale of such notes to  
2 be upon such terms as may be directed by resolution of the County Council.

3 The Treasurer prior to the issuance of any bond anticipation notes or other evidence of  
4 indebtedness of the County shall present the terms of such notes to the County Council for  
5 approval by administrative resolution of the County Council prior to the issuance thereof.

6 The bond anticipation notes will bear interest at the rate or rates so negotiated by the  
7 Treasurer and approved by administrative resolution of the County Council and the bond  
8 anticipation notes when issued shall be issued in the name of the County by the signature of the  
9 County Executive, the corporate seal of the County shall be imprinted or otherwise reproduced  
10 on the bond anticipation notes and attested by the Director of Administration and shall be used  
11 only for those purposes approved by administrative resolution of the County Council adopted  
12 subsequent to the adoption of this Bill.

13 The bond anticipation notes shall not be issued in an amount greater than the amount of  
14 bonds or other indebtedness authorized in anticipation of the sale of which the bond anticipation  
15 notes are issued and sold.

16 The principal of and interest on the bond anticipation notes shall be payable out of the  
17 first proceeds of sale of the bonds, or from the tax or other revenue which the County shall  
18 previously determine to apply to the payment of the bonds and interest thereon.

19 Twelve (12) months interest on the bond anticipation notes or any renewal thereof may be  
20 paid from the proceeds of sale of the bonds accounting from the initial date of issue thereof.

21 By administrative resolution of the County Council, the County may provide for the  
22 renewal of the bond anticipation notes at maturity with or without resale.

1           Immediately after the sale of the bond anticipation notes and approval by resolution of the  
2 County Council, the proceeds of sale of such bond anticipation notes, after payment of expenses  
3 of issuing the same, shall be paid to the County’s Department of the Treasury. The proceeds of  
4 sale of the bond anticipation notes shall be expended only to finance the Projects.

5           **SECTION 19. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF**  
6 **HARFORD COUNTY, MARYLAND** that pursuant to Treasury Regulations 1.150-2,  
7 governing the use of bond proceeds for the purpose of reimbursing expenditures paid prior to the  
8 issuance of bonds, and as permitted by Treasury Regulations 1.150-2(e)(1), the Treasurer is  
9 hereby duly designated to make declarations of Official Intent on behalf of the County. The  
10 County expects that all or a part of the capital expenditures for the Projects will be paid prior to  
11 the issuance of the bonds authorized herein, and that the proceeds of the bonds will be used to  
12 reimburse the County for capital expenditures paid prior to the issuance of the bonds. The  
13 County reasonably expects to reimburse a portion of the capital expenditures for the Projects  
14 with proceeds of the bonds, in the maximum principal amount of Seventy-Two Million Six  
15 Hundred Ninety Thousand Dollars (\$72,690,000.00), and this Bill shall be available for public  
16 inspection at the offices of the County during regular business hours and in accordance with the  
17 laws of the State of Maryland and the County, regarding access to public records. The maximum  
18 principal amount of debt which is expected to be issued for the Projects is \$72,690,000.00.

19           **SECTION 20. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF**  
20 **HARFORD COUNTY, MARYLAND** that the County covenants and agrees with the registered  
21 owners, from time to time, of the bonds as follows:

22                   (a) The County covenants that it will not make any use of the proceeds of any of  
23 the bonds or any moneys, securities or other obligations on deposit to the credit of the County or

1 otherwise which may be deemed by the Internal Revenue Service to be proceeds of any of the  
2 bonds pursuant to the Internal Revenue Code of 1986, as amended, and Income Tax Regulations  
3 thereunder (collectively, the “Tax Code”), which would cause any of the bonds to be “arbitrage  
4 bonds” or “private activity bonds” within the meaning of the Tax Code.

5 (b) The County further covenants that it will comply with those provisions of the  
6 Tax Code that are applicable to the bonds on the date of issuance thereof and which may  
7 subsequently lawfully be made applicable thereto. To the extent that provisions of the Tax Code  
8 apply to only a portion of the bonds, proceeds of the bonds or other moneys, securities or other  
9 obligations deemed to be proceeds, it is intended that the covenants of the County contained in  
10 this Section 20 be construed so as to require the County to comply with the provisions of the Tax  
11 Code only to the extent of such applicability.

12 (c) The County further covenants that it will not (i) take any action, (ii) fail to  
13 take any action, or (iii) make any use of the proceeds of any of the bonds which would cause the  
14 interest on any of the bonds to be or become subject to federal income taxes in the hands of the  
15 registered owners of any of the bonds.

16 (d) The County further covenants, in order to assist bidders in complying with  
17 SEC Rule 15c2-12(b)(5), pursuant to a continuing disclosure agreement (the “Continuing  
18 Disclosure Agreement”) signed by the County Executive, Treasurer and Director of  
19 Administration, to provide annual reports and notices of certain events. The undertaking of the  
20 County in the Continuing Disclosure Agreement shall be described in any Preliminary Official  
21 Statement and Official Statement and any amendment or supplement thereto.

22 **SECTION 21. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF**  
23 **HARFORD COUNTY, MARYLAND** that upon recommendation of the County Executive, the

1 County Council may adopt a resolution pursuant to Section 19-101 of the Local Government  
2 Article of the Annotated Code of Maryland (2013 Replacement Volume and 2018 Supplement)  
3 authorizing the loan authorized to be incurred and the bonds authorized to be sold by this Bill, to  
4 be consolidated for sale and issued, sold and delivered as a single issue of bonds with other  
5 bonds authorized to be sold to finance capital projects described in the Annual Budget and  
6 Appropriation Ordinances, as amended, for the current fiscal year and/or prior or subsequent  
7 fiscal years.

8 **SECTION 22. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL OF**  
9 **HARFORD COUNTY, MARYLAND** that the provisions of this Bill are severable, and if any  
10 provision, sentence, clause, section or part hereof is held illegal, invalid or unconstitutional or  
11 inapplicable to any person or circumstances, such illegality, invalidity or unconstitutionality, or  
12 inapplicability shall not affect or impair any of the remaining provisions, sentences, clauses,  
13 sections or parts of this Bill or their application to other persons or circumstances. It is hereby  
14 declared to be the legislative intent that this Bill would have been passed if such illegal, invalid  
15 or unconstitutional provision, sentence, clause, section or part had not been included herein, as if  
16 the person or circumstances to which this Bill or any part hereof are inapplicable had been  
17 specifically exempted therefrom.

18 **SECTION 23. AND BE IT FURTHER ENACTED BY THE COUNTY COUNCIL**  
19 **OF HARFORD COUNTY, MARYLAND** that this Bill shall take effect sixty (60) calendar  
20 days from the date it becomes law.

21 EFFECTIVE: \_\_\_\_\_, 2019
