Comments on County Council Minutes

Ms. Lince provided the County Council minutes for the meeting dated 18 JAN 2022

Old Business

Traffic

- Mr. DuBree noted that a report is expected back from a traffic study that had been done on the 22/136 intersection. That report is expected back "mid February."
- Ms. Buckley noted that the study has been completed for MD 543/136 and asked if there any timeline on when that is set to begin?
- Ms. Cassilly asked if there had been any consideration to altering the speed limit (currently 45 mph) on the stretch of 22 east of Campus Hills.
- Ms. Buckley noted that 136/Hookers Mill is a dangerous intersection. A mirror would be a reasonable solution.
- Asbury Rd. is another intersection where a mirror would improve traffic safety.

New Business

- County Council Re-districting map
 - Summary of the council re-districting issue
 - Mr. English asked if the CAB would like to have a representative from the re-districting commission speak in a future meeting? If so, he can reach out to contacts at the Harford County Sheriff Office (HCSO) Community Board, who happen to be on the redistricting committee.

HSCO Community Board Update

- Items from the JAN 2022 Sheriff's Community Board Meeting
 - Agency health update
 - Hiring updates

 - Legislative Session
- Overall mission of Sheriff's Community Board

Sheriff's Office Update
