Dear Council Members:

In accordance with the Rules of Procedure for the Office of the County Auditor, this report summarizes the activities of the Office for fiscal year 2022.

Status of Audit Plan

12 Complete	1 In Progress	1 Postponed
-------------	---------------	-------------

A detailed status of the Audit Plan was provided to you during the June 7, 2022 Auditor Update public presentation. For the audits completed during the year, we noted four issues to be remediated; a comprehensive report detailing the current status of the prior audit findings will be provided to you as a separate report in a few months.

In addition to performing audits, this year the office has completed fiscal notes for 60 Bills and Resolution and earned more than 150 Continuing Professional Education Credits.

Quality Assurance and Improvement

In accordance with the International Standards for the Professional Practice of Internal Auditing, the Office has a Quality Assurance and Improvement Program (QAIP). Internal assessments are performed for every engagement to confirm that audits are performed in accordance with governmental and internal auditing standards. Our QAIP also involves an annual review of projects completed, continuous review of our audit methodology and input from our stakeholders. An external assessment of the Office's procedures, conducted in October 2018, resulted in a Pass rating. Due to the pandemic, the deadline for our next peer review has been extended and is currently scheduled to occur in October 2022.

We have completed the internal QAIP review for FY2022 and found that audit standards were met.

I would like to acknowledge the hard work of everyone working in the Office this year. I am available to respond to any questions you have regarding this report.

Sincerely,

Chrystal Brooks, CPA
