Harford County Thanksgiving Food Drive November 1 - 22 to Help Neighbors in Need

BEL AIR, Md., (Oct. 29, 2024) – Harford County government is sponsoring a Thanksgiving Food Drive to benefit local families. Donations are being accepted from November 1 – 22 at various county locations and will be delivered to the food pantry at Harford Community Action Agency.

“In these challenging times, many families are struggling to make ends meet and some in Harford County face uncertainty about where their next meal will come from,” County Executive Bob Cassilly said. “Your support can help make a difference and provide healthy meals for those neighbors in need this Thanksgiving season.”

Donations of non-perishable foods and other items such as diapers will be accepted in county government buildings and parks and recreation facilities and senior centers.

For a list of most needed items and locations of donation sites, visit www.harfordcountymd.gov/fooddrive. A sharable flier can be downloaded from the website or the Facebook pages for Harford County government.
