Section of Glenville Road in Darlington Reopened Following Repairs

BEL AIR, Md., (April 6, 2021) - Harford County Department of Public Works has reopened a section of Glenville Road located three-quarters of a mile from its intersection with Stokes Road in Darlington, effective April 5, 2021.

The road was closed for repairs last winter after a tree collapsed due to erosion of the slope along Deer Creek, causing damage to the roadway. Repairs to the road and slope were completed by the department.
