Subject: Lobbyist Disclosure Report - Dennis F. Rasmussen & Energy Systems Group (ESG)

Importance: High

Good afternoon Mary Kate,

I have your letter of March 1st regarding the Lobbyist Disclosure Report form. I do represent Energy Systems Group (ESG) and I did register on April 2nd, 2018.

I did not meet the conditions necessary for filing a Lobbyist Disclosure Report. For your information and records, neither my client nor I expended any funds, food, entertainment or gifts to any Harford County official or employee during that registration period.

Please let me know if this communication is sufficient or do you require we to fill out the report with a negative report.

Many thanks, Dennis
