

# Weather Policy – Harford County Senior Centers

In the event of inclement weather, our foremost concern is the safety of participants and staff. In the case of inclement weather or the threat thereof, please note:

If Harford County public schools are closed, all senior centers are closed.

- If Harford County Government is closed, all senior centers are closed.
- If Harford County public schools are open late, all senior centers will open at 10 a.m., **without bus or lunch service**. Morning classes starting prior to 10 a.m. will be canceled.
- If Harford County Government is open late, all senior centers will open at the same time as Harford County Government, **without bus or lunch service**. Morning classes starting prior to the late opening time will be canceled.

If inclement weather strikes when Harford County public schools are already closed, such as for a holiday break, or an in-service day:

If Harford County Government is closed, all senior centers are closed.

- If Harford County Government opens late, all senior centers will open at the same time as Harford County Government, **without bus or lunch service**. Morning classes starting prior to the late opening time will be canceled.

If the inclement weather strikes or is forecast to begin during normal hours of operation, we reserve the right to close the center early and cancel activities and lunch service as a safety precaution. In that event, **Harford County Transit will be notified to pick up scheduled riders at the centers for an early departure.** Senior Center staff will remain at the center until every member has safely left the premises.

You can confirm closures or delays by:

- Visiting the [Harford County website](#)
- Visiting the [Harford County Public Schools website](#)
- Calling the Harford County Inclement Weather Information Line - 410-638-3484
- Checking local television or radio stations
- Calling your local senior center
