

# *What's next for* **PUBLIC TRANSPORTATION** *in Harford County?*

## **Virtual Public Meeting - *Part 2***

**Wednesday, March 2**

**6:30 – 8:00 p.m.**

### **ABOUT**

Public transportation is vital to the future of our region. Harford Transit LINK is currently engaged in a Small Area Plan study focused on the Northwest Bel Air/Forest Hill area. The aim of the study is to identify the strengths and weaknesses of existing transit services in the area, and highlight opportunities for service improvement and expansion. Part 2 will present potential service improvement scenarios based on an analysis of existing services and feedback received in the previous round of meetings.

### **JOIN THIS VIRTUAL MEETING TO...**

- Learn about the Small Area Plan for Harford County.
- Participate in an open forum discussion on how well each scenario meets the mobility needs of your community.
