To: Development Community/Engineers

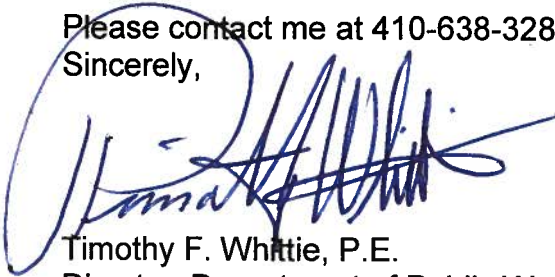

Re: Past Due Accounts for Plan Review and Inspection Fees

A recent review of our past due accounts for County plans review and inspection fees has shown a significant increase in unpaid invoices in the range of sixty (60) days or more. These unpaid invoices are required under the Fee Authorization Letter, which is executed by the developer, to be paid within forty-five (45) days.

As a result, on July 1, 2014, the County will be enforcing an existing policy by which the County will cease plan reviews or inspections on a project that has unpaid invoices that are in arrears of more than sixty (60) calendar days.

Please contact me at 410-638-3285 with any questions.

Sincerely,

Timothy F. Whittie, P.E.
